Improved!

Welcome to the MEO Resource Center

The MEO Resource Center is a single point of access to a wide range of environmental compliance, best practice, and related references for MEOs. It was created as a companion to the MEO Handbook. Together, the Resource Center and the Handbook are intended to provide USAID Mission Environmental Officers (MEOs) in Africa with the guidance and the resources they need to be as effective as possible in helping their Missions attain and maintain full compliance with USAID's Environmental Procedures and to mainstream environmentally sound design and management (ESDM).
